Sir,

Subject - Regarding the abolition of the post of the whole-time vaccinator in the Tarikere Town Municipality

I have the honour to state that the Town Municipal Council, Tarikere have, at their meeting held on 15th December 1941 resolved that the post of the whole-time vaccinator of the Municipality be abolished and the vaccination work got done by the Sanitary Inspector, by payment of a commission of annas two for each successful case This is one of the proposals brought up by the Municipal Council, to improve the finances of the Municipality by effecting certain retrenchments in the existing items of expenditure

2 The desirability of getting the vaccination work done by the District Board Vaccinator was pointed out to the Municipal Council But, they are of opinion, that they cannot exercise effective supervision on a separate agency They therefore want to entrust this work to the Sanitary Inspector, who has undergone vaccination training The Director of Public Health, who was consulted in the matter has agreed to the abolition of the vaccinators post provided if the Sanitary Inspector is freed from collection work It is reported by the President, that every since the appointment of the Chief Officer to the Municipality, the Sanitary Inspector is not enstrusted with the collection work, except for 2 or 3 months during the collection season, when he will be asked to assist the Chief Officer, without hindrance to his legitimate duties.

3 Tarikere is a small town with a population of 8848 and the average number of vaccinations done by the Vaccinator is only 56 per month. There is no adequate work for a wholetime official I therefore request that sanction of Government may be kindly obtained for the resolution of the Municipal Council, Tarikere to abolish the post of the Vaccinator and to entrust the vaccination work to the Sanitary Inspector The present incumbent will however be continued in the Municipality till he is provided elsewhere by the Director of Public Health.

The connected records are enclosed for reference and return when done with.

I have the honour to be
Sir,
Your most obedient servant,

Assistant Commissioner,
